DONOR REPORT  
2016/17 & 2017/18

## DIRECTOR'S WELCOME

It is my pleasure to introduce *Thanks to You*, our newest publication. Since joining Jesus in 2017, I have been moved by the generosity of the many alumni and friends who have supported the College during its 450<sup>th</sup> anniversary campaign. This new donor report now brings us up to speed on donations up to the end of 2018. We give thanks to the 1,343 alumni and friends listed in this document who have chosen to support the College through their donations since 2016.

Your gifts have made a tremendous impact, and we hope you will feel proud of what you have collectively achieved. Thanks to you, in the last two years we have raised nearly £7.5m from alumni, legators, and friends, and from this, we have supported the College community with gifts totalling £2.2m towards our priority projects. Over £1,000,000 has been received towards student support and £993,000 in support of our Tutorial Fellows. In addition, we have received the first £3.75m from the lead donation of £15m for the Northgate Project. Our participation rate from alumni in this period was an impressive 20% – meaning one in every five alumni has given to the campaign – and we have ambitions to raise this number to at least 30% by the end of the campaign.

Amongst the many who give to Jesus College are those who have made College part of their legacy planning. We welcome our legacy members to an annual luncheon hosted by the Principal each June, and we are grateful to them and to their families for their generous support. If you are interested in learning more about leaving a legacy to Jesus College, we have included information on how to do so in this report.

We hope you will consider joining us for our Annual Donor Reception, which this year takes place at Westminster Abbey in May. The Abbey has a particular connection to Elizabeth I and so we hope you will join the Campaign Board and me at this special evening in celebration of the "Elizabethan College". Your official invitation is printed inside *Thanks to You*; we very much hope to see you there. If you are unable to join us this year please don't worry; there are plenty of other exciting events still to come!

Thank you again for supporting Jesus College.

With renewed thanks and best wishes,

Brittany Wellner James

## HIGHLIGHTS FROM THE 2016/17 – 2017/18 GIVING PERIOD

- We completed several year group bursaries and had support from individuals to fund specific named bursaries.
- The Oxford Hoffmann Graduate Scholarships in Medical Science reached full endowment.
- Support for our Access and Outreach programmes increased with alumni generously giving both donations and time to these initiatives.
- A fund for a Junior Research Fellowship in Climate Change was established.
- The Paget Clarke Geography Fellowship reached full endowment.
- The College and the University together secured the £3.25m required to endow the Jesus Chair of Celtic.

*“Why did I donate to the Chair of Celtic appeal? I’ve always valued Jesus’s special links with Wales and the distinctive identity it gives the College.”*

# Telethon 2018

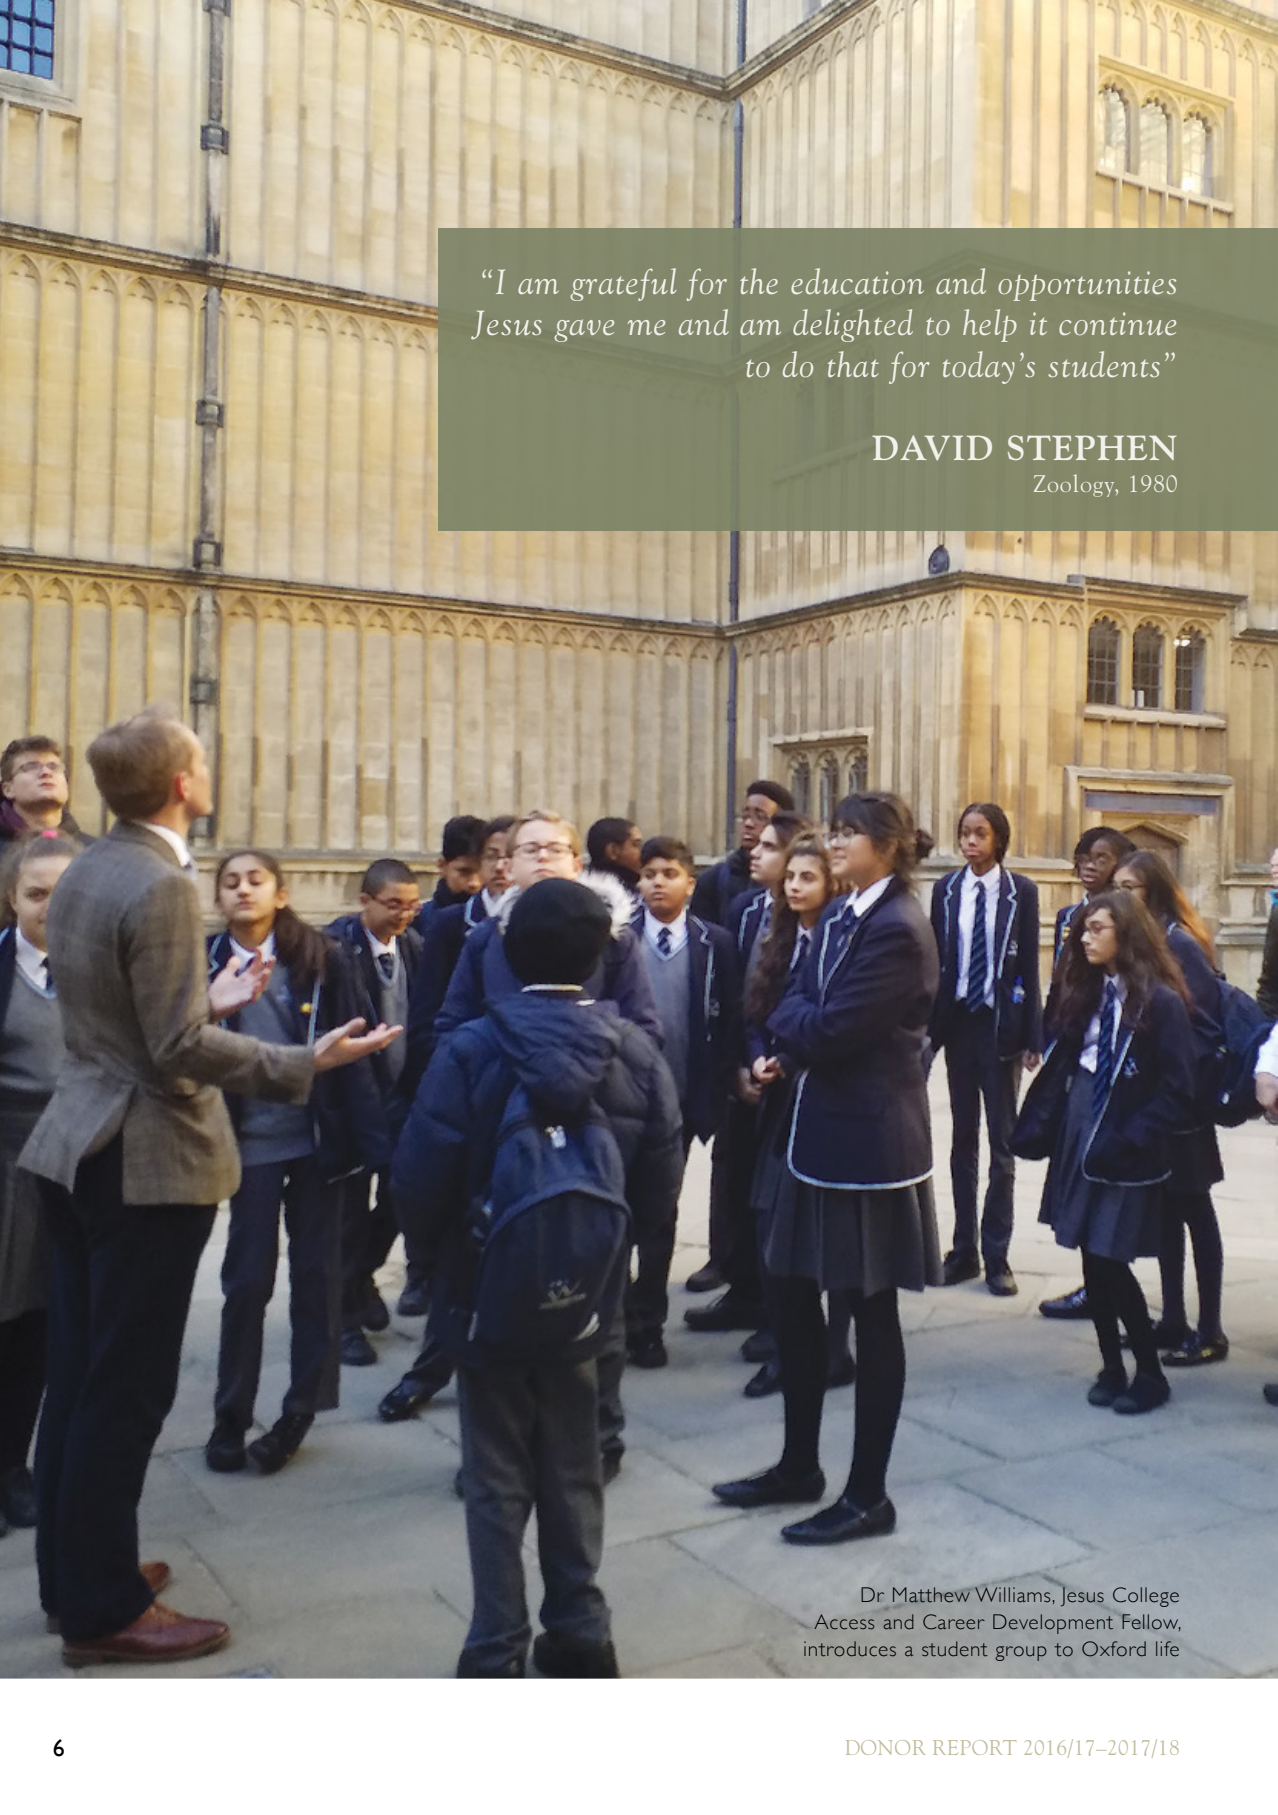

One of the main ways in which the College raises money for the Development Fund is through the annual telethon. These two-week long sessions are invaluable for staying in touch with alumni and raising significant funds for College priorities. During the 2018 Telethon, our student call team spoke to 366 alumni and raised a record-breaking £178,060 in donations with an average monthly donation of £45. Over 59% of connections with alumni resulted in a gift. Thank you to all who participated and all those who made a donation during the telethon that year.

*“Looking back, I recognise the tremendous opportunity I had studying in Oxford. I give to Jesus College so that future generations can share in that same opportunity.”*

A photograph showing a man in a grey suit on the left, gesturing with his hands as he speaks to a group of school children. The children, both boys and girls, are wearing dark blue school uniforms with white shirts and ties. They are standing in a courtyard surrounded by tall, light-colored stone buildings with Gothic architectural features like pointed arches and decorative tracery. The scene is brightly lit, suggesting daytime.

*“I am grateful for the education and opportunities  
Jesus gave me and am delighted to help it continue  
to do that for today’s students”*

*“The Jesus College Access Bursary has really helped with my time in Oxford. As an estranged student, having an additional £600 helps to take my mind off my finances so I can focus more on my studies. In my first year the Bursary helped me to purchase my bike and study supplies and enabled me to attend subject dinners in college. The Bursary is also really helpful for buying textbooks, which are often expensive, and other living expenses. I will always be so grateful to Jesus for everything over the last three years!”*

# Lasting Legacies

SAVE THE DATE: LEGACY LUNCHEON  
Saturday 8 June 2019

Legacies have historically been very important for Jesus College and continue to be so. We are very grateful to all those who remember Jesus College in their wills. Thanks to legacies, the College has been able to fund Tutorial Fellowships, facilities and bursaries, as well as many other awards for students.

Making a legacy for general purposes is the greatest way that you can safeguard the future of the College. It enables us to react to changing priorities and to direct your support where it will make the most difference at any given time. You may alternatively wish to make a legacy to:

- Students in financial need
- Tutorial Fellowships and research
- College buildings and facilities
- Sporting and cultural activities

It is simple to include a gift to Jesus College at the time of writing or re-writing your will. An appropriate form of words would be:

*"To the Principal, Fellows and Scholars of Jesus College within the City and University of Queen Elizabeth's Foundation, I give \_\_\_\_\_ and I declare that the receipt of the Estates Bursar or other proper Officer for the time being of the said College shall be full and sufficient discharge to my Executors for the legacy herein bequeathed to said College".*

If you would like to discuss leaving a legacy to the College, simply get in touch with Ursula Saunders to let her know that you have made provisions in your will. You can reach Ursula via telephone: 01865 616812 or via email: [ursula.saunders@jesus.ox.ac.uk](mailto:ursula.saunders@jesus.ox.ac.uk).

*The University of Oxford North American Office can advise on estate planning and legacy giving for alumni for Jesus College in the USA or Canada.*

*“I have just made a pledge to the 450<sup>th</sup> Anniversary Campaign because I believe it offers a new vision for the College’s future – with an amazing new building and secure support for those teaching and learning within it. My hope is that it will help our College to continue keeping a balance: upholding its tradition of academic excellence in today’s climate while making timely change for the future.”*
