

JESUS COLLEGE OLD MEMBERS DAY

Saturday, 29 June 2019

How things change, or do they? Find out during this year's visit to the new Mathematical Institute in Oxford. No Maths skills needed!

This is 'new Oxford' architecture – and one of the largest developments - built on the site of the old Radcliffe Infirmary. In the opinion of aspiring undergraduates it is an inspiring building! The approach to the building has a special tile pattern - courtesy of Prof. Roger Penrose - followed by a series of interesting features including natural light in the basement - how do they do that? - and a staircase with a mathematical twist! The old Radcliffe will also prove to be of interest.

For us to appreciate all this, along with the stories and people behind it, we have a double bill: **Dyrol Lumbard** of the Institute and **Dr David Acheson** will give us a tour and short talks about the building and its importance to the University.

Dyrol, manager of external relations, has introduced many visitors and students alongside orchestrating publications and events for the Institute in Oxford and London. **David**, an inspiration to many undergraduates as Mathematics Tutor at Jesus, is now encouraging the upcoming generation of students, and will provide a selection of surprises. (As a mean rock playing guitarist, what should we expect?)

Most importantly, you don't need to know anything more than $2+2=4!$ (no change there).

Past experience of Dyrol and David suggests that this is not one to miss - so do come and enjoy engaging architecture, stories and puzzles, preceded by coffee and followed by lunch in College.

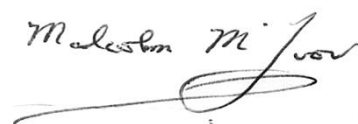

The programme for the day, which is open to all old members and to their guests, is organized by the Jesus Old Members' Group (XL Network). The timetable is:

- 10.30 Coffee and Tea in the Harold Wilson Room (The JCR to many of us!)
- 10.50 Walk to the Mathematics Institute
- 11.00 Presentations by Dyrol Lumbard and Dr David Acheson
- 12.45 Drinks before lunch in Hall
- 14.00 Coffee in the Harold Wilson Room

The cost is £25.00 per person for coffees, pre-lunch drink and lunch.

Please book as soon as possible (see form enclosed) but by Saturday 15 June at the latest.

We look forward to seeing you on 29 June for what we are sure will be an interesting event.
