

Dear Member,

I take great pleasure in inviting you to the Annual New College Law Society Dinner to be held on **Tuesday 7th February 2017** at the **London office of CMS Cameron McKenna LLP** at Cannon Place, 78 Cannon Street, London, EC4N 6AF. Past dinners have been thoroughly enjoyable, providing an excellent opportunity for New College Old Members in the legal profession to reconnect and to meet current students. Please feel free to invite a guest, whether New College alumni or interested in the law, who may wish to attend the event.

I am pleased to announce that our Guest of Honour for the evening will be **Jonathan Faull** who is well known for his long-running career within the European Commission. He has held a number of high profile positions and was appointed to head a Task Force for Strategic Issues related to the UK Referendum on its membership of the EU. The newly appointed **Warden of New College, Miles Young**, will also join us and introduce Jonathan Faull. Miles Young read Modern History at New College and took up his new role as Warden in September 2016.

The 2017 Dinner will begin with a **drinks reception at 7pm**, followed by **speeches at 7:30pm**, after which food will be served. The dress code is smart (business attire). In a change to previous years this year's dinner will be a 'bowl food' event – following feedback we plan to have a rotating cycle every three years between a dinner at New College, a dinner at Middle Temple and a bowl food event.

We are very grateful for **CMS** generously sponsoring this Dinner. Ticket prices are £25 per head for Old Members and are free for current students.

If you would like to attend the dinner, please contact the Treasurer, Emily Hampshire at emily.hampshire@new.ox.ac.uk to confirm your place and receive payment information and with details of any dietary requirements.

We look forward to seeing you there.

Kind regards,

Sir Bernard Rix
Patron of New College Law Society

Please email the President of New College Law Society at rebecca.withey@new.ox.ac.uk if you have any queries
